Call for Papers

"Emerging Trends & Issues in English Language Learning"
November 9, 2018
Taoyuan, Taiwan

This conference will be held on Nov. 9, 2018 at Lunghwa University of Science and Technology, Taoyuan, Taiwan. The conference is organized with the purpose of bringing together researchers, teachers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of language teaching and learning, curriculum design, information and education technology. The conference is intended to be a forum to expose and share current and future research work in the above areas, as well as the relationships among them.

We are now accepting abstract submissions and all submissions will be refereed. All the accepted abstracts and the associated papers will be included in the official conference proceedings.

We look forward to seeing you in Taoyuan!
